Having worked for myself for many years, I didn't relish the thought of having to 'work for someone else' at this stage in my life. I came across Kleeneze at a local Jobs Fair & took away some information. I had previous Direct Sales Networking experience & recognised Kleeneze as a FANTASTIC OPPORTUNITY. I contacted Tracey & Harvey immediately to find out how to get started.

I work my Kleeneze business very part-time around my role as a Funeral Service Advisor. I have found Kleeneze to be great fun & I have met some wonderful, positive people who have already become good friends. The support has been 2nd to none & I have never felt on my own. My Lamb Tagine is already a 'Team Favourite' at our monthly supper night's!

I am looking forward to a prosperous & enjoyable future with Kleeneze.
