CAROLINE BERRY - Ex Care & Support Worker. Co Durham

Now: KLEENEZE GOLD DISTRIBUTOR & HONG KONG QUALIFIER

I used be a support worker for £5.80 per hour when I started Kleeneze part-time to supplement my income. This was my cheque above.

I was tired of being messed about at work and realized with a bit of commitment and hard work Kleeneze would work for me, as it was working for hundreds of others.

I set about introducing a small team of like minded people and helping them achieve what they want, and **IN ONLY 5 MONTHS THIS IS HOW MY INCOME HAS GROWN: OVER £1000 INCREASE IN EARNINGS FOR 4 WEEKS**, and in addition I've qualified for a FREE 5*holiday of a lifetime to Hong Kong in November 2010.

I don't know of any job out there in the 'real world' that can give you this; the sky's the limit, what a fantastic business for ordinary people to be able to succeed in.
