

# MAGDALENA & CRAIG WHITE TESTIMONIAL

Craig started Kleeneze after being introduced by his parents. He had a Full Time Job and just wanted to earn an extra income part-time so that he could save up and go travelling around the World. After 8 months he had enough money thanks to his Kleeneze business to follow his dream and travel the world. When he returned from his travels he realised that he just didn't want to work for anyone else. Knowing Kleeneze's simplicity he decided it was his future...**He could work his own hours, plan his own pay and have the freedom of being his own boss!!**

I had moved to the UK in June 2000 to be with my family, I didn't meet Craig until 2002 when I attended a Business Opportunity Evening with a friend....later in the year we became a couple! At this point Craig was having some great success with Kleeneze. From starting to build his own customer base, simply learning the business, helping others to do the same and by following A Simple Proven Success System he had built an income of around £28,000 per year (double what he had earned previously in a JOB). Kleeneze had also sent him on All Expenses paid Trips to Rome , Malaysia & South Africa...**JUST SOME OF THERE GREAT INCENTIVES!**

I got started, building my own customer base and earning an immediate income, simply delivering & collecting catalogues. With Craig's support and the Team around us, I have learned the business and enjoy helping others to duplicate our success. We have a great Team, everyone working towards achieving their Goals and becoming successful and we are looking for more ambitious like minded people!
