

## DAVID & JANE MOUSLEY – Ex-Police Sgt & Ex Solicitor’s Legal Cashier

When I first looked at Kleeneze I was just looking for something to supplement my full time income by an extra £300 - £400 per month, which would allow me to spoil my two children. however, being a Police Officer I needed it to be flexible enough to fit around my shifts and family life.

When I took a closer look at Kleeneze I saw that it was ideally suited to my circumstances because of its flexibility and I realised that if I followed the proven business plan that I could build a secure future for my family.

Since then Jane has joined me in the business and last year with Jane & I earning nearly £20,000 in our spare time we were able to pay for a romantic 14 nights Caribbean Cruise where we were married by the Captain.

**Armed with the knowledge of what we had earned in our spare time and the complete confidence we had in the Company; on Xmas Eve 2010 I walked into my boss and told him to give my job and all its associated stresses and demands to someone who needed it.**

Since that time I have been full time with Kleeneze and Jane joined me full time in March 2011.

In a time of recession when pay rises are rare and redundancies and cut backs are common place it was refreshing to know that we had an alternative. An alternative which has given us control over our lives and no limit to our future earnings. The lack of stress and time freedom we now have is worth more than money itself; however, the £17,000 we earned in the first half of 2011 has been appreciated **and the fact that Kleeneze took us on an amazing all expenses paid trip to New York for six days in November made it a fantastic year!**

With the Company going from strength to strength **now** is the time to get involved.

**The Certificate of income below is what we earn in**
