

We are both profoundly deaf since birth. We both work full time, I own small retail optician and my wife Karen works full time for Remploy so we are very both very busy but we managed find some spare time to work our Kleezeze business. Since we first started with Kleezeze in July 2009 we attended the training meetings every fortnight, we have learned a lot from other more experienced people who taught us how to work it and increase our sales stronger than ever. Below is one of our latest pay cheques which we earned in our spare time. If we can do it anyone can do it.

Donald and Karen.
Northumberland.
