

JENNY & ROB CLARKE

Personal circumstances had rendered us both as 'unfit for work' by the local government. We felt washed up & on the scrap heap in our 30's. We felt like we had no life, with nothing to look forward to in the future. A far cry from Rob's previous employment as a Bespoke Joiner, where he used to regularly earn over £2,000 a week!!

Jen spotted an advert in the paper 'Earn an Extra Income, working from home' & filled in her details. She asked Rob to sit in on the appointment that had been arranged. Initially it was going to be something for Jen to do from home by herself, but when Rob saw the Opportunity he was blown away & jumped on board too.

It's been the most exciting & enjoyable rollercoaster. Its given us a reason to get up every day with new fresh goals to focus on. Its been mentally, physically & financially rewarding.

Just 4 weeks in.....were hooked!!
