

# Luke and Neil Newman

I joined kleeneze on 14 July as I have been unemployed for almost two years after finishing Year 11.

So I was on jobseekers at 18 and I decided I was going to do everything to get a job including a Prince's trust Team programme to help overcome my lack of confidence. After the programme finished I was still unable to find a job.

Until I came across a certain ad asking to earn a second income and I thought "why not try this as a permanent job?"

A few days later my sponsor, Neil Cochrane showed me how the business worked and I got started on the 250 catalogues. One week later, my dad, Neil, decided to join after seeing the opportunity evening.

Now 4 weeks later we have hit the 10% milestone, which gave us a pay almost the same amount jobseekers are giving out for me when I joined jobseekers. Now we are planning to hit the 13% in period 10 and we'll hit the 15% during the run up to Christmas.

This opportunity has many reasons to enjoy every minute for example;

- Amazing support from our sponsor Neil and his Upline Tracey Payne and Harvey Kent and of course Kleeneze HQ.
- Amazing events like the most recent NIA showcase in Birmingham
- The relationships with our regular customers and new customers.
- It has slowly helped us lose weight and I'm out of the house almost all of the time.
- We are paid for it too.

The Certificate of Income shown below is the official Kleeneze payment for the 4 - week period number 201209
