

## TESTIMONIAL

**Mark & Karen Smith  
Sunderland**

**Sponsor: Steve Geldard**

After working for a major bank for many years I was looking for something with less stress and more flexibility that Karen and I could work on together.

Having first joined Kleeneze in 1993 (but had to resign due to work commitments) we already knew the business worked, and now have the opportunity to make it work for us.

Karen has been running her own Dance School since 1998 and enjoys the flexibility of being self employed and knew that Kleeneze could fit nicely with her current working hours and our children.

We re-joined in August 2011 and decided to really go for it as we wanted to get the ball rolling and simply followed the system and advice we were given.

We collected over £1200 in orders in our first 4 weeks and introduced 3 people into our team so we're delighted with our results.

**Our first cheque for 4 weeks part-time was £403  
It's already starting to rise after only a couple of months!**

**Kleeneze**
