

## Sam and Phil Smith

We started our Kleeneze business just to make a bit of extra money to pay for a family holiday. We are Foster Carers and have 4 foster children 3 of which have special needs and 3 boys of our own. We picked up a business card that was left on our motorhome and have never looked back. The support and training we are given by our successful up line and sponsors is amazing.

Kleeneze is so flexible that we can work it around our busy family life, and the demands of fostering. We plan each week and just use our spare time to deliver and collect the catalogues and have now started to team build.

This truly is a fantastic opportunity to earn that extra money that you need or even replace incomes and have a wonderful lifestyle, the opportunity is there for everyone who is willing to put in a little bit of time and work hard and if you can attend the invaluable free training sessions on offer.

Here is our very first cheque for the first four weeks,
