

Sarah Faint

I recently relocated myself and my 2 children to be closer to my family. The increased rent on my new house meant I needed to find an extra £200 a month, urgently!

I needed something flexible to work around my 2 children, that didn't involve any childcare costs.

I have watched my sister Tracey and her partner Harvey build a very successful Kleeneze business over the past couple of years, fitting it in around their 4 children.

I decided to get started and follow in their footsteps to a better future for myself and my family

This is my first 4 weeks in my new business

I know that by following the successful Kleeneze system I will have a much brighter future, one I am very excited about.
