

Shane and Janet Hartley

Shane and I both work full-time. Shane as a Production/Design Engineer and I am a Midwife Team Leader for Surestart. We have two children- Sarah who is 24 and Michael who is 20. We started Kleeneze because we realized that when we retired we could not keep up the life style that we had.

We wanted to move our business and when Cannes was announced we decided that we would give everything to go for it. With the help of our sponsors we set a plan in position and with the help of our great team we reached GOLD in period 10. We have kept this and we are now half way to achieving our goal.

This is proof that if you set goals and are determined the sky is the limit.
