

SIMON AND ALISON PATMORE

Initially we joined Kleeneze to make some extra cash to supplement our income from running our own business and being a school teacher. However at the beginning of 2012 we decided to focus solely on Kleeneze by setting ourselves a target to build Team Phoenix and “rise from the ashes”. Our monthly cheque has been “on fire” and grown **from £300 to £2000 in 90 days**. By putting out catalogues consistently every day, building a small team and running a handful of EzeParties, we have now achieved Gold distributor

status within the company. This has now put us in qualification for a free all expenses paid five star trip to Miami, Florida later this year. In a time of recession when pay rises are rare we have been able to increase our earnings by more than six times in just 3 months by following a very simple proven plan.
