

STUART & ROBYN

Joined in July 2005, to earn a 2nd income to help with increasing utility bills and living costs, but also attracted by the prospect of a long-term business plan.

Earned £211 in our first month on 200 catalogues per week - £9 short of the 'income without a team chart' - pretty good considering it was August, supposedly the quietest retail month of the year – it left me wondering what a good month would be like! By just our third month, our income had risen to £347 (see cheque below) from blanket dropping the same 200 homes per week.

Since then, we have grown a large team, and are rewarded for helping others to earn money and achieve – an opportunity open to all. This allowed Stuart, in 2007, to leave his job in Credit Management and go full time in Kleeneze.

In August 2010 our son Joshua was born. Robyn is now a stay-at-home Mum as we now have a level of FINANCIAL FREEDOM (see the 2nd cheque below) that allows for this. We have an INCREDIBLE INCOME and the future that we have as a family is amazing!
