See enclosed cheques to see how your income could develop.

Time required: 15 -20 hours per week. Anyone can enjoy this freedom!

Two years ago, after 4 years at university and building up the student debt associated with it, I was a full time teacher, working long hours and experiencing loads of pressure and stress! (Sound familiar?)

I was juggling my time looking after 2 children on my own along with the demands of the job and I was earning less than this!

This business can give you **WHATEVER** you want, be it more money, more time, more security & peace of mind **OR** all of them!

**PLEASE** look **CAREFULLY** at the enclosed information and I will give you a call in the next couple of days.

### My Story So Far:

2006: - Teaching, doing Kleeneze part-time to supplement my salary, earning around £400 per month.

2006 - July: Invited to 're-apply' for my own job. Tired of the stress and long hours, decided to decline and take charge of my life in my own Network Marketing Business.

2006 - Oct/Nov: Needed to replace my teaching salary urgently so worked hard at the retail side of the business and equalled my salary in two months from my own efforts. Started looking for like-minded people who wanted out of the rat race. Increased my income to £1400.

2006 - 2008: Developed my regular customer base whilst at the same time building and supporting my team. Reached the level of **GOLD DISTRIBUTOR**. No stress, freedom of time and the financial results speak for themselves. (See enclosed pay cheques). I now have the time to pursue my passion of creative writing and study for a Master's Degree.
