

Tibor Ipolyi

I'm from Slovakia. I live in UK 4years. I was looking for a new job but all jobs what I find offered me only a £100-£150 more per month. That was not enough for me, so I looked for something else, what can make me more. When I find Kleeneze and I saw that we sell products for everyday use and that this is a Network Marketing (by the way the best one I met so far. I have a few years experience with a similar business from Slovakia) .

I knew, this business **WILL MAKE ME RICH!!!!**

Did not know nearly anyone in town when I started Kleeneze, which was a big disadvantage, so I focused more on the retail.

Now after 1.5 years I have over 400 regular customers, and I've had nearly £2000 sales in the last 4weeks. And I have done all this on a **BICYCLE !!!!**

So you don't need anything to build up a successful business here, just **DO IT!**

I'm working now about 50 hours per month next to my full time job, and I get over £500. It is a Huge difference. I'm buying now an Audi A6, and this is still just a very beginning of my career in this business.

Everything is possible in this business, just you have to put the work in it. And copy successful people. It's that simple.

Thank you very much for a **BIG** help at the start from my sponsors Michelle & Brian Hewitt.
