Kleeneze Ltd, St Ivel Way, Warmley, Bristol BS30 8TY, Registered number 05801085					

I started doing Kleeneze part time in September 2005, I found this worked very well around the kids and quickly got my cheque up to the required £600 per month that we needed to pay the bills, and I've had a pay rise nearly every month since I started.

Dave has now cut his 60hr per week job down to just 4 days per week and soon he will be packing in his job altogether, so he can be there to see our two wonderful girls, who are just 4 and 6, grow up and be a big part of their lives and not just the part time daddy that most kids have.

Kleeneze have also rewarded us with 2 all expenses paid holidays so far, one back in June this year and another in March 2008, which we are so looking forward to, we have also been awarded £1300 in cash, extra to what we earn, as rewards for just doing our job. It is so simple just put a few catalogues out and show others how to do the same.
