

Tracy Panting

After Starting Kleeneze in September 07, just to earn a little extra income, as I was sick of living day to day, just getting by and having more month at the end of the money.

In my First month I earned £465 for just a few hours a day in my own time, with no boss telling me what to do, and following the simple system that my Sponsor (Paul Tonkin) showed me. He explained if I wanted to be successful, then I needed to follow the system to the letter.

The extra income came just in time as my tumble dryer had just broken down, and now I'm able to buy a new one, thanks to kleeneze, and pay cash, (what a good feeling).

This was Something I'd not been able to do before. Thank you Kleeneze. Brighter Future, Better Income, and as I do not drive, I do it all on foot.
