

## Wendy Vickers

I was happy in my job of 15 years, then came the big R- redundancy. Not knowing what I was going to do, I tried several jobs, but got messed about by management and supervisors. I saw a sign on the back of a car one day so I sent for details. When the information came through the door I saw it was Kleeneze and threw it straight in the bin. The next day I received a phone call from Stewart and agreed to meet him where he then showed me the true potential of Kleeneze, straight away I knew I could do this and got started. I am a single parent and the flexibility suits me fine, I am so happy I have so much time to spend with my daughter. I love the freedom I have and I still earn a living.

I have been in Kleeneze now for just 18 months and I love it. The money I am now earning is amazing for part time work. Kleeneze does work, just work hard at it and keep focused.

Below are three of my cheques, the first is my first full month in Kleeneze, the other two are from this year. They are all four weekly incomes AND just from putting catalogues out!!

In the last month I demonstrated the Christmas Catalogue front cover offer and received orders for 303 pairs totalling £3030 in orders with this item alone!!! My total orders in September totalled £7715 and some people say Kleeneze doesn't work!!
