

Westley Johnson

I got a leaflet posted though my door offering away to earn extra cash, which I ignored for a few days, because you get these things all the time and I felt that they must come with a catch!

I then decided that well you cannot judge everything the same so I decided to reply to the leaflet. That same day I got a call back from a very happy and enthusiastic voice which was Tracey Payne.

Tracey made an appointment to come and see me and explained what she did, and to my surprise there was no catch or pressure just positive encouragement.

In my first 4 weekly period with Kleeneze I retailed over £871. This meant I achieved the first sales plan milestone of becoming a 10% Distributor & picked up an extra cash bonus!

All I can say is keep it simple and leave no stone or letterbox unturned.

Smile and the world will smile towards your dreams,
Thanks Tracey & Harvey
