

Anndrena Benjamin

I started Kleeneze as I had recently lost my job, due to coming out of a controlling relationship. I was also suffering with chronic depression.

I am also a single mother to 2 beautiful Angels. I needed to find a job quickly and which would allow me to spend more time with the girls, as I was previously working 40 hours as a Doctors Receptionist, and was hardly seeing the girls.

On my first collection of catalogues I had orders totalling £230, I was so shocked, as it was so simple; once I had put out and collected my orders I had the rest of the day to spend time with my daughters.

My first cheque was for £263.13 for 4 weeks, I was over the moon, my depression was going and life was getting positive. I realised if I could make my dreams come true, anyone can.

Also since joining I have introduced my sister so she can earn an extra income.

Also I am also doing my 90 day plan to go GOLD in the business so I can earn more and make a better life for my Angels.
