

Heather & James O'Neil

I joined Kleeneze about 7 years ago for an extra £50.00 a week to fit around my son, Liam. It wasn't long before I was earning over £1,000 a period & then my very sceptical husband put his name on the agreement! James actually came into Kleeneze full time about 3 years ago. Up until then we had built the business very part time around James's job & Liam. We've worked hard over the last few years to build the foundations of our business & we now have a wonderful team, many of whom are destined for great things with Kleeneze!

We've been rewarded along the way with conferences to Monte Carlo, Sun City South Africa, Sydney Australia, Athens & Rio. We also were given a free Mini Cooper in 2004 & our best cheque so far is £6,700!!

People join Kleeneze for different reasons - certainly the incentives & incomes available are quite incredible. But for us, it was the time freedom that was the main attraction. The money is great but time together as a family is priceless. Most jobs or careers that pay well leave no time to enjoy the money - with Kleeneze, YOU CAN HAVE IT ALL ... if you are prepared to work for it!

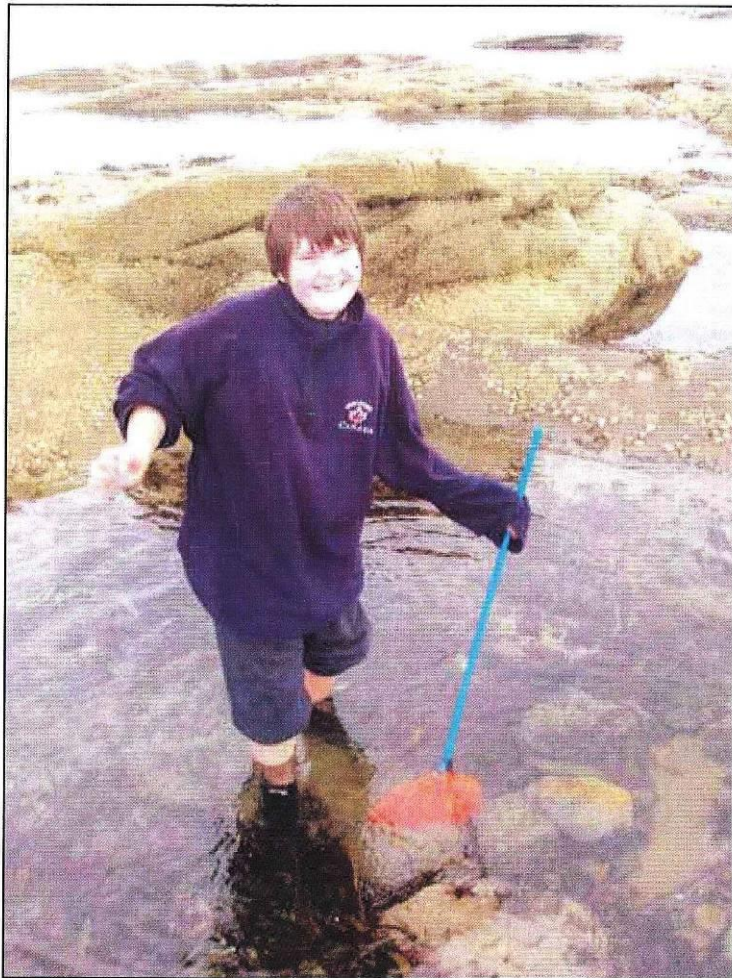

We now have (what we consider) to be a great income but more importantly we have the time to enjoy it! Thanks to Kleeneze, this summer we went away camping EVERY WEEK! We were both able to spend EVERY DAY of the summer holidays with Liam as a family. We still consistently worked the business (although on a very part time basis) & we personally introduced 5 new people to the team over the six week holiday!

Business cards were put out every day where ever we went & leads came in from all over the country from our car sticker! Most of our "work" was done under canvass, beside rivers or in open fields!!!! Thanks to mobile phones & PDAs we can run our business as well from a tent as we can from our office!!!!

The lifestyle is AMAZING!!!!!! We fly out to New York for a few days next week & next year we are planning a 3 week trip to Japan to see the cherry blossoms, a trip to Canada to visit family & summer in Europe on Euro-Rail passes! Liam has been to more countries over the last few years than most adults ever will & its all thanks to Kleeneze.

Whether its the big money you are after ... or the expensive holidays ... or the cars ... or like us, the time freedom - if you commit to the business & follow the system in place, Kleeneze really can make your dreams come true!!!

LIAM SAYS ITS BEEN THE BEST SUMMER OF HIS LIFE!!!
